14 Gibsons Parade, Warburton

One out of the box

Just imagine living in a home that overlooked the Yarra River where you could sit back and enjoy the dulcet sounds of the water babbling along and watch the people slide past on their canoes. This home offers that opportunity. Situated on the high side of the river and just a short walk into the town centre.

This weatherboard has been well maintained and cared for. The open plan living area has large windows to take in the river outlook as well as allowing plenty of light to flow through. With timber floors, a wood heater along with a reverse cycle split system it is a very appealing space.

There are 2 bedrooms plus an extra room that could be a third if needed but would make an ideal study for those working from home. The kitchen has a dishwasher and electric cooking. The bathroom is compact but very practical.

With a bitumen drive way there is easy access into the property
