low and reduce your carbon footprint with a solar panel system that completes the home. Water is assured with rainwater storage tanks, an unlimited spring water bore, and access to spring fed dam.

Externally is where the property really shines. A standout features is the impressive 10x14m American barn, complete with concrete floor, power, cool room and man cave with bar and pot belly stove for those leisurely evenings. Adjacent to the house is the domestic 6x9m shed for car accommodation and storage. Ample shedding extends to those with equestrian pursuits, accompanied with a well-designed horse stable complex including two 5x5m stables with space for tack, wash bay and tie up.

The land itself spans approx. 16.5 acres of rolling pasture and mixed bush at the rear and is divided into six fully fenced manicured paddocks, 2 Equimesh foaling paddocks, four with shelters, and electric fencing. The facilities extend further to the well located 55x27m dressage arena with quarter-minus base and drainage.

Moving beyond the equine potential, mixed family recreation is catered for with professionally built motocross track, from the amateur to the professional enthusiast. Commercial clientele with appreciated the hardstand truck yard, and work from home business solutions are covered by Starlink internet connectivity through the facilities. Additionally there are dog pens for breeders or housing pets whilst away.

This property offers a wealth of opportunities for business and personal use, without compromising on modern comfort and convenience, located close to urban centres.
